

SEABOURN®

THE BEST WAY TO SEE

# THE CARIBBEAN

AT ITS BEST, WITH THE BEST

BARBADOS

## WHY SEABOURN'S CARIBBEAN?

Hidden gems await you among the islands of the Caribbean Sea, where you will always find an easy-going greeting and a warm welcome. These precious remnants of a world we call the Uncommon Caribbean are off the beaten track, but our intimate ships can take you there.

1. **Hand-selected itineraries** include boutique ports, sheltered coves and hidden harbors where larger ships cannot go.
2. **Caviar in the Surf**®≈ **beach party and barbecue** in Carambola Beach, Mayreau, Marigot, Isla Catalina and Great Harbour — enjoy these beautiful beaches while our gracious crew wade through turquoise water to serve you chilled caviar and ice-cold Champagne.
3. **Marina Day**≈ **with complimentary watersports** in select ports from our unique retractable marina including water skiing, pedal boats and windsurfing.
4. **Shopping with the Chef excursions**^ in select ports, learn about regional markets and see how the freshest ingredients are selected, with an expert Seabourn chef as your guide.
5. **Regionally inspired cuisine** using local, seasonal produce and seafood.
6. **Epicurean deck event** featuring locally sourced produce, cheeses and pâtés.
7. *Let's Dance!* deck party, *Movies under the Stars* and other **special deck events**.
8. **Seabourn Conversations with special guest speakers**, including historians, destination experts and more.
9. Shore excursions to **UNESCO World Heritage sites** with exclusive access and insights through our official partnership including Brimstone Hill Fortress National Park in St. Kitts, La Fortaleza and San Juan National Historic Site in San Juan, Puerto Rico and more.
10. Seabourn's Signature culinary event, the **Galley Market Lunch** — a tour de force of temptation guaranteed to please any palate.

≈Marina Days and Caviar in the Surf are weather and conditions permitting and are available in select destinations.

^Shopping with the Chef excursions are subject to availability and market schedules.
